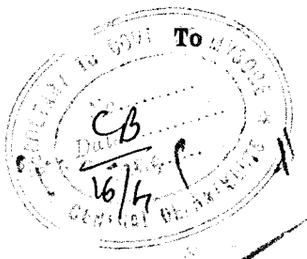
OFFICE OF

No. 2886 / 16.4.49
Encls.

Date 16th April 1949.

MEMO.



The General Secretary to the Govt. of Mysore,

Bangalore.

In continuation of my programme sent on 14-4-49, I write to state that six days would be unnecessarily wasted on the journey alone from Bangalore to Delhi and that an air-passage to Delhi and back would ~~therefore~~ save much time, the expenditure involved thereby being very much the same as the train fare and the D.A. to be claimed for the days of the journey.

During my stay in Delhi, the matter of conveyance to go about will be a great problem where time and oppournities have to be made use of to their best advantage. I had for this reason written to Chief Secretary for allowing me the use of the Mysore Car at Delhi on such days and at such times when it is not otherwise used.

3. I therefore request that orders of Government for permitting me the air-passage and the use of the Mysore car at Delhi may kindly be obtained and communicated to me as early as possible.

My address at Delhi would be as under:

Address:-

Visit of Srimathi Lakshmi T. Venkatappa

Sanction for journeys by air and for using Mysore Govt. Car at Delhi

4. Submitted for perusal and orders re para 3.

5. The proposal to undertake the journeys by air requires financial concurrence.

6. O. B. may be requested to state what action has been taken re: the reference made to the Chief Secy. seeking permission to use the Mysore Govt. Car at Delhi.

Re: 4. It is ascertained that sanction has already been taken in [illegible] as contained that one Kapsham Krishnaswamy left for Delhi on the 16th instant by train. No sanction is necessary to travel by air for the forward journey. As regards return journey it is for the Kapsham person concerned to decide whether he will make it by train or by air. In case it is considered necessary to record sanction to travel by air for income tax purposes it is necessary (Mr. Seen) 18/4/49

Dear Sir,

Arrange

REPORT ON THE REFUGEE REHABILITATION WORK DONE

AT NEW DELHI.

---o---

During my visit to Delhi, I interviewed some of the important officers of the Rehabilitation Board and the Ministry of Rehabilitation. The position of the Refugees in Mysore State and their present conditions and requirements were placed before the Hon'ble Minister for Rehabilitation Sri. Mohanlal Saxena, on the 23rd instant. He was very sympathetic and appreciated the effort so far done by this office. He very kindly rang up to his Private Secretary and the Deputy Secretaries in charge of the various sections of Rehabilitation, as also Sri. Meharchand Khanna, who is an adviser on Housing schemes for refugees. He laid emphasis on the employment of refugees and on the works to be taken up, so that less time is spent on merely feeding and affording relief to them. Onmis direction I met Sri. Chablani, I.C.S., Private Secretary and Sri. B.G.Rao, I.C.S., Deputy Secretary, on the 25th and Sri. Meharchand Khanna and Sri. N.C.Srivatsava, I.C.S., Deputy Secretary of the Ministry and Rehabilitation on the 27th and discussed with them in detail the various schemes as also the financial help that the Centre would advance to the State on this behalf

(i) HOUSING: I had taken with me a small note on Housing Scheme with the estimate advised by the Chief Engineer as also our requirements for cement and iron already made and sent up through our Government. Rs. 3,000/- per cottage was considered too high a figure especially when constructed in numbers. The estimates made for the housing of refugees in United Provinces at Rs. 2,400/- each was considered to be reasonable. A press photo of such a house is enclosed for immediate reference. And on that basis our requirements for 800 houses amounting to Rs. 19,20,000/- was negotiated. In this connection it may be stated that the sites and lay-out will

will have to be included in the estimate. These houses may later be let out or sold on Hire-purchase system or instalment basis.

(2) LOANS:- The Central Finance Administration is already dealing with loan applications of Rs. 5,000/- and above of the refugees here. Only loans smaller than that amount may be advanced to refugees on the certificate of two other refugees vouching for his respectability of character and his previous position. In this connection it may be mentioned that our estimate made last year was for about 9 lakhs of which 6 lakhs might be advanced for these small loans to be recovered in easy instalments with interest at 3 to 3½ %. It was decided that a small Scrutiny Committee consisting of 4 or 5 members may be appointed to go into these questions. Six lakhs was considered as an appropriate advancement for such loans.

(3) LANDS FOR AGRICULTURISTS:- It was left to the option of the Provincial Governments to grant large plots of land to refugees, though it might be recommended that in view of the food shortage any extension of cultivable lands would be welcomed. (Reference may be invited to my opinion already made in this behalf.) But such of the refugees who cannot be accommodated here on agriculture may be recommended to the Central Government for the grant of lands in East Punjab.

(4) Regarding Industrial Training Centres and Women's Occupational Institutions, the proposals made by me were approved.

If the Government approves of these negotiations I may be permitted to finalise the same. The total sum involved is Rs. 10,20,000/-. This money which will be thus advanced by the Central Government will in due course be repaid by the refugees who will be benefitted directly by it. But it will be interesting to remember that the State will also be benefitted indirectly to the extent of (i) the labour employed

Rs 600000/- = Rs 25,20000/-

employed on the huge project of building 800 cottages. (2) the building materials and the doors and the windows etc., which can all be ordered on wholesale basis and supplied, (3) part of the supervid on, (4) the interest accruable on the money during the period it is with us.

Yours faithfully,
S. Krishnaswamy

is for perusal.

The suggestion contained in para-
ing to the Housing scheme may perhaps be
referred to the committee constituted by

As regards "Loans" the committee
